

CVE Upper Pool Policy on Large Gatherings

- Only the upper pool may be used for large gatherings.
- A large group is 11 or more people including homeowners and guests.
- At least one homeowner needs to be always present.
- A sign will be posted on the gate and on the website by a pool committee member or board member at least a week before the gathering. It informs other homeowners of the reservation.
- Attendees must decide either the East or West shelter that they will occupy, not both.
- Gatherings may not be held on holiday weekends.
- A maximum of 3 hours including set up and cleanup is allowed for the gathering.
- Homeowners are required to familiarize themselves with the pool rules, including cleanup process.
- A \$100 check made out to Crystal View Estates is required with the reservation application. \$75 will be refunded by the association's treasurer if the reserved site is cleaned by the homeowner. \$25 will be used to replenish supplies and bathroom cleaning by our cleaning service.
